

Module 1

Animal Handling and Traction

Ramsay Hovell
Ann Varley

That was only part of the programme

I had an additional requirement

With bigger
ones to
come!

7.00 am mucking out at the start of
the day did not go down well at all
– for some.

Hands onand practical
all the way

We were now ready
to go to the Lumo
and be useful.

There were positive
things to do

There
were new
things to
discover

Going home on the boat brings relief
from the heat and time to unwind

Carts and Harness

Making it easy

Making it hard

Working it out

Having some fun
